INVESTIGATION/CLEANUP FIELD WORK

- No change from last weeks update.

PUBLIC PARTICIPATION:

- DTSC mailed out notices for our public meeting scheduled for August 16th and posted it on our website.
- DTSC staff notified CAG members and agency officials of the public meeting via phone and e-mail.
- DTSC staff responded to numerous calls from the community regarding the meeting.
- On August 6, 2004 DTSC staff participated in a conference call with the CAG chairperson, Ms. Jeanne Guertin, to provide an update on recent events and answer questions about the significance of the USEPA report.
